

2018 HERITAGE PROGRAM

SBHS is again sponsoring the Heritage Program during the summer of 2018. Each Saturday a local artist will demonstrate his or her skills and display their work. The Programs run Saturday mornings during the Farmers Market at the Corner Of The Past. So, it is an opportunity to buy fresh produce and enjoy an artist's work.

Many of the artists have participated in the past and SBHS is pleased to welcome them back. As you can see from the list below, this is an exciting and interesting array of art. In some cases the artists will be demonstrating their skills and some may offer their work for purchase. Mark your calendar and save the dates to see those that interest you.
