

2022 HERITAGE PROGRAM

Sister Bay Historical Society is again sponsoring the Heritage Program during the summer of 2022. Each Saturday beginning June 25 artists and craftspeople will display their work. The Programs run Saturday morning during the Farmers Market at the Corner Of The Past 9:00-1:00. So, it is an opportunity to buy fresh produce and enjoy an artist's work.

As you can see from the list below, this is an interesting array of art. In some cases the artists will be demonstrating their skills and some offer a "hands-on" experience.
